

Gold Coast Hinterland Heritage Museum Inc.

The Gold Coast Hinterland Heritage Museum committee was formed in June 2001 and was incorporated in November 2001. The aim of the committee is to collect and preserve historical and heritage material illustrating the growth and development of the Hinterland Region of the Gold Coast from the original pioneering days until today.

We plan to arrange and describe these materials and make them accessible to the general public on a regular basis as well as providing educational programs where possible to increase public awareness and appreciation of the Gold Coast Hinterland region's history and development.
