School Booking

We offer free entry for teachers, bus driver and additional carers as per the following ratios:

- **1 adult per group of 10 primary students.**
- **1 adult/ carer per student with special needs.**
- **Any additional adults will be charged \$10.**

Complete the form to request a school booking with the museum. Please add approximate number of students per day for multiple day bookings.

The cost of the excursion is \$8 per student. We do not charge GST. An incursion booking is \$4 per student.

We ask that students are divided into groups of no more than 10 with an adult helper to tour the museum. Maximum number for a visit is 60 per day. Our volunteers are rostered to reflect this number and children are shown how items on display were used by pioneering families. Rooms can only accommodate these numbers.

We suggest that time at the museum be 9-9.15am to 12.00-12.30pm. Rotations are approximately 15 minutes per station so a group of 60 children would need to allow 6 rotations x 15 minutes plus a ½ hour break in middle.
